1. Private Banking Multicurrency Account – an account opened to client and used for current savings and transactions only, not includes investments into capital markets.
2. Term correspondent bank includes any intermediary bank and/or other type of payment service provider facilitating the transfer. All correspondent banks fees indicated in this Pricelist are only indicative and are subject to change by correspondent banks without any notice.
3. Correspondent banking charges may apply. Indicative correspondent bank fees for incoming transfer range from 0,05 % (min \$25) to \$200. Failure to include valid reference message or other causes for manual investigation may result in additional fees applicable by correspondent banks (indicative: 0.5% min \$55, max \$300).
4. Correspondent banking charges apply. Indicative correspondent bank fees for SEPA EUR transfer are 50 €.
5. Correspondent banking charges apply. Indicative correspondent bank fees for transfer are 0.15% (min €250).
6. Correspondent banking charges may apply.
7. Asset management client – a client, who is going to invest at least 500.000 EUR of his/her assets under the advisory or discretionary asset management agreement.
Advisory management – when a bank is giving investment advices to the client (investment ideas, opportunities, overview on current portfolio etc.), but a client decides by himself how he'll act (sell, buy or hold position).
